

Red Hearts Newsletter

Welcome!

I'm so glad you registered for the Red Hearts Newsletter. This is a semi-monthly newsletter.

From my house to yours, I wish you a very Blessed and Merry Christmas this year.

What's in it for you?

You signed up because you love to read romances (so do I). In my newsletter, you'll be the first to get the scoop on the Women of Worthy series (and any future series I write).

The newsletter will contain things that can't be found anywhere else on the internet like profiles and inspiration photos of the characters in the story, setting pictures I used for inspiration, scenes, or excerpts that were cut from the stories as well as cover reveals and book releases. I'll also include Author and Reader Spotlights with other books you might like.

AND...if you read my books and find any typos, click the email icon at the bottom of the page, let me know what they are, and I'll acknowledge you in my next book! How fun is that?

I hope you enjoy the journey with me as I'm sure to enjoy it with you.

Women of Worthy Series...

A series of novels about single, divorced, and widowed women living in the small town of Worthy, Ohio, located about 50 miles southeast of Columbus, Ohio. Each woman must battle life's curveballs at the expense of their families, friends, and the men who adore them to fulfill their greatest desires and destinies. Their Faith is tested in ways they hadn't imagined.

Cassie's Secrets Insider Information...

Cassie's Secrets: The settings!

Below are the setting inspiration photos I used to create Cassie's Secrets.

One of the most fun things to do when creating settings for a book is to scour the internet (usually homes for sale sites) for houses and room interiors. Once I have them, they foster my imagination to place

my characters within the rooms and allow them to interact with one another.

So much fun imagining them in those homes!

If you have read Lost Dreams, you'll definitely want to read [Cassie's Secrets](#) and then follow it up with my most recent release, [Mia's Irishman](#).

Reading Romances...
What's your preference?

When I look back at all the romances I've read over the years, it seems to me they have changed. No longer do readers want "just" a romantic movie or book where the central theme is a love story and there's a satisfying end to the story. Most of the time that means "lives happily ever after".

No, today's reader wants something extra.

Women of Worthy Book #3

Cover Reveal

Kate's Quest...

With the busy holiday season, I've made a concerted effort to edit the entire manuscript so my editor has it in her hands in time for Christmas. What a Christmas present for her, hmmm?
